Program: The camp is for families from the Deaf and Hard of Hearing community who use sign language for all or part of their communication. There is something for everyone and most of the programs will be interpreted. The Tribune Bay Outdoor Education Centre staff and DYT (Deaf Youth Today) staff will be offering family programs and programs especially for children and adults. Some examples of programs include the usual....climbing on the tower, hiking, high ropes course, beach fun, lots of games, mystery hunts, crafts, kayaking, marine tours by our 12 passenger boat, great campfire stories & skits and the very popular women's' and men's' adult island bus tour.

Accommodation/Meals: Bring your own tent or RV, cooking & camping gear. Outhouse toilets (showers are available). Some meals are on your own but we supply Friday and Saturday Supper and Sunday Breakfast (at the Lodge). Everyone is asked to volunteer for one meal cleanup.

Camp fee: \$189. + HST= (\$211.68) family rate for the entire camp (extra individual, \$95+HST (\$106.40)
(Thanks to our supporters....This is a very subsidized rate)

Due to our low fees; friends and other children are added in at the individual cost and cannot be included in Family fee.
